

## Fun and games competition afternoon at Hengist Field Care Home

On Thursday 28 December we hosted a funny and competitive games afternoon at Hengist Field Care Home.

*We played a selection of different games...*

*Seeing how far you could blow a ping pong ball with a straw.*

*Catching balls and bean bags in fishing nets.*

*Seeing how many times you could bat a bean bag in the air without dropping it.*

*Chocolate biscuit game (which involved, without using your hands, having a chocolate biscuit placed on your forehead which you had to wiggle down your face into your mouth...which was messy but hilarious!)*

Our overall winner with the highest score was our lovely **Betty** – well done to her!

**Great fun, with so many giggles!**
