

## Games morning and resin art at Hengist Field Care Home

### Fun and games

**On Monday 15 May we had a fun and games morning with our Horsa Community at Hengist Field Care Home and what a great time everyone had!**

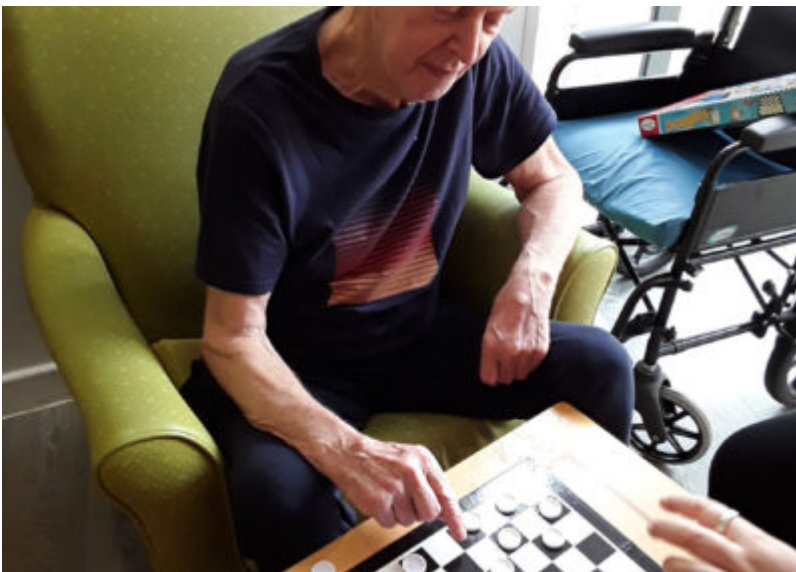

We had a selection of games including **draughts, cards and table pool**.

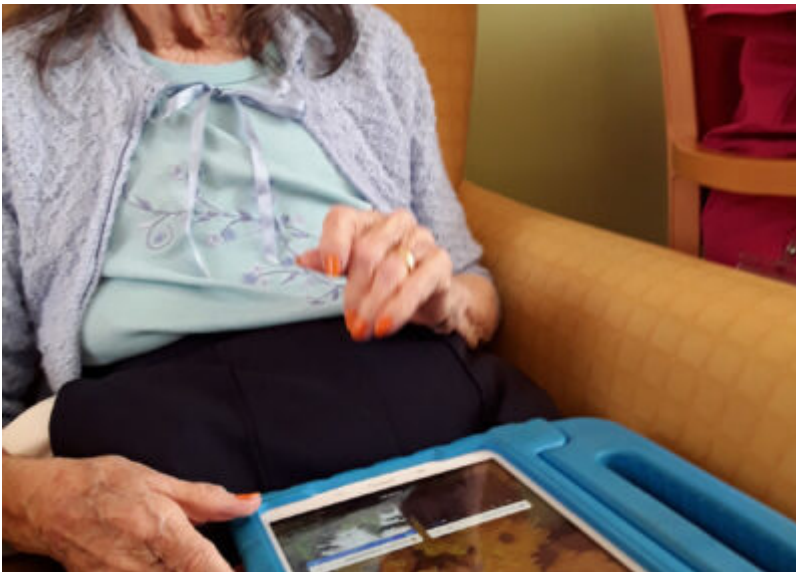

Everyone chose which games they wanted to play and most had a game of each or a group game, using coordination skills and cognitive abilities.

*Plenty of laughter, concentration (and maybe a little cheating!).*

## Resin art

On Thursday 18 May in the afternoon, we had our second attempt at **resin art** with our residents. This time around we made **coasters and holders, key rings, bookmarks** and **we even attempted a wind chime**.

*Everyone designed their own pieces using **dried flowers, foliage, glitter, resin colouring, miniature frogs, ladybirds** and **bumble bee**, using specialised tweezers to pick up and place the delicate flowers and foliage into creative designs, with lots of concentration.*

How did they turn out? Absolutely brilliantly! So pretty and colourful.

Our ladies are so **proud of their creations** and are looking forward to doing it again next time.

***Well done everyone, they are beautiful!***
