

Getting ready for Christmas at Hengist Field Care Home

Well, it's certainly looking a lot like Christmas here at Hengist Field Care Home.

Our team members, residents and some family members have been busy here **decorating all of our beautiful Christmas trees**, hanging our handmade decorations, and making everywhere look and smell so Christmassy.

The festive spirit is certainly all around, with the sweet scents of **mulled wine and mince pies** – *delicious!*

Let the celebrations begin!
