

Halloween pumpkins and games at Hengist Field Care Home

Pumpkin fun

We enjoyed a fun-filled spooky afternoon on Thursday 26 October when we carved some pumpkins and also painted some here at Hengist Field Care Home – and don't they look spectacular!

Everyone designed their own and chose the colours they wanted to use. There was lots of laughter and conversations going on about Halloween celebrations from the past.

Our pumpkins were placed around our Home to add to the Halloween atmosphere.

Spooky games and stories

On Saturday afternoon we had some **witchy fun and games**! We played pin the nose on the witch and toss the hoop over the witches hat! We also chatted together about **spooky stories**.

Another fun-filled spooktacular afternoon that everyone thoroughly enjoyed.

Happy Halloween!
