

Halloween ready at Hengist Field Care Home

Here at Hengist Field Care Home we are Halloween ready, with all our witches, ghouls, ghosts and spooks!

We have some headless **witches**, a drunk witch (who has flown into the wall after drinking her witches brew!) and a witch who has gone head first into a plant pot!

We also have **pumpkins** in our flowers, creepy crawly **spiders**, paper machete **pumpkins**, ghosts and lots more, to make this Halloween Spooktacular!

Have a great spooky Halloween everyone!
