

Happy birthday to Hildy at Hengist Field Care Home

We wished our Hildy a very happy 95th birthday on Thursday 10 August here at Hengist Field Care Home.

We sang '*Happy birthday*' to her, decorated her room with banners and presented her with lots of cards to celebrate her special day. We also presented her with a **gorgeous strawberries and cream birthday cake**, which she absolutely loved – *she was full of mischief and picked a strawberry off the cake and popped it in her mouth and laughed!*

Hildy received so many **beautiful flowers** for her birthday, her room was like a florist shop! As part of her day, she visited the hairdressing salon to **have her hair done** ready to be taken out to **lunch with family**. In Hildy's words, "*I feel very pampered today!*".

When she and her family came back after having lunch out, they enjoyed sitting together in our Courtyard Garden in the sunshine.

Many happy returns Hildy – what a fantastic day!
