

Happy birthday to Marion at Hengist Field Care Home

We recently wished our lovely Marion at Hengist Field Care Home a very happy 93rd birthday and how fabulous she looked!

She was over the moon with us decorating her room with **banners**, singing her '*Happy birthday*' and presenting her with a **birthday card** from all her friends and staff at our Home.

She also loved her **fabulous birthday cake**, which was covered with plenty of cream and chocolate. *Yum!*

Marion was in great spirits and kept getting fits of giggles on her special day – *always a good sign of a great birthday!*

Many happy returns Marion!
