

Happy birthday to Mary at Hengist Field Care Home

Happy birthday to our lovely Mary who celebrated turning 84 last week here at Hengist Field Care Home.

We decorated her room with **birthday banners** and sang '*Happy birthday*' to her which made her smile.

She received some lovely **cards and gifts from her family and friends** and really enjoyed her special day.

Reflecting on her age on her birthday, Mary said she was "*Fed up being 21, so today she is 22!*"

Many happy returns Mary!

Mary enjoyed all her cards
