

## Happy birthdays and reunions at Hengist Field Care Home

**Our resident Mavis Wilson** here at Hengist Field Care Home was delighted to receive a socially distanced visit from her daughter on her 96th birthday last week.

Mavis received some lovely cards and gifts, and beautiful bunch of flowers. She also enjoyed a slice of her specially made birthday cake, decorated with fresh lemon.

**Rita Weeks** was thrilled to be reunited with her son **Ian** during a recent visit too – the saying "*distance makes the heart grow fonder*" is very true!
