

Happy Fathers Day at Hengist Field Care Home

On Sunday 19 June we celebrated Father's Day at Hengist Field Care Home with a visit from Kelly Phillips who belongs to the Net Church.

Kelly and children from the church had made **Father's Day cards and brought in gifts** for all of our lovely gentleman, who thought this was such a kind gesture from the church, so a huge 'thank you' to them.

We also celebrated with a **visit from musician Rob.T** who gave the day a fantastic vibe with a selection of classic songs, which everyone had a good old **singalong** to.

A very happy Father's Day was had by all!
