

Hats off to Hengist Field Care Home residents

Our residents here at Hengist Field Care Home had lots of fun picking and choosing hats to try on and deciding which ones suited them – just for fun!

There were lots of smiles as one of our ladies sampled a straw hat and one of gents channelled Tommy Cooper in a red fez.

A few more of our ladies looked stunning in fancy hats, while one lady carried off a brightly coloured sombrero.

Our lovely Jackie pulled off a classic black bowler hat too!

Happy hat day!
