

Heartfelt Valentine crafts at Hengist Field Care Home

We've enjoyed a fun-packed arts and crafts afternoon at Hengist Field Care Home – it's all about the love!

We had a variety of crafts to choose from; **heart-shaped sun catchers, stained glass love hearts, heart wreaths, card making, cross stitch** and **bead threading hearts** to name a few!

With **romantic songs** playing softly in the background, our ladies and gents enjoyed plenty of chatting, nattering, **laughter** and **smiles**, while they decorated, painted and coloured their chosen crafts, all ready for **Valentine's Day**.

There was even some exchanging of the chosen crafts and hearts when they'd finished – *love is in the air!*

Gorgeous!
