

## Hengist Field Care Home arts and crafts afternoon

We had a really lovely afternoon with a selection of arts and crafts here at Hengist Field Care Home on Saturday 30 December.

Our residents enjoyed working with **salt dough**, had a go at **diamond art** and had fun **painting on canvases**.

Everyone thoroughly enjoyed being creative and we had some soft, relaxing music playing in the background which everyone found quite therapeutic.

We were very pleased with our creative pieces – *well done to all our artists!*
