

Hengist Field Care Home Celebrate World Cocktail Day

Staff and residents at Hengist Field Care Home enjoyed some tasty World Cocktail Day celebrations on Saturday 13 May.

Our ladies and gentlemen had a brilliant time during an afternoon of cocktails and mocktails, with music playing in the background. We had quite a selection to choose from – Pimms and Lemonade (always a favourite), Mojito, Bucks Fizz, Summer Fruit Punch, Prosecco, Gin Spritz and a Baby Guinness shot (Tia Maria and Baileys).

There was plenty of group conversation, fun, laughter and drinking – sensibly of course! Cheers everyone!
