

Hengist Field Care Home celebrates Armed Forces Day

For Armed Forces Day here at Hengist Field Care Home we invited the lovely singer Annie Riley to come and entertain us for the afternoon.

Annie certainly did a grand job! Our residents thoroughly enjoyed it and there was plenty of **singing and clapping along**. She sang songs by Vera Lynn and other great war time artists. A lot of our residents found it very moving, emotional with the **reminiscence** of it all.

A brilliant afternoon – thank you Annie!
