

Hengist Field Care Home hosts a casino afternoon

We had such a fun time last week at Hengist Field Care Home when we organised a casino afternoon for our residents, after it was requested by our ladies and gents - they asked, we made it happen!

Everyone enjoyed the **games of roulette**, with plenty of concentration ...and perhaps a little cheating from the more experienced!!

We all enjoyed a **little tipple** of our choice to add to the atmosphere.

Maybe a little Black Jack next time – we can't wait!
