

## Hengist Field Care Home hosts historical talk

We were delighted to welcome a gentleman called Terry Matson to Hengist Field Care Home on Monday 22 April, who is connected to our local Heritage Hub.

He came to present a **fascinating historical talk on Dunkirk and World War I**, with illustrative pictures on a projector. He also spoke of the local men from Sittingbourne and the surrounding areas who fought in the war.

Everyone said how **interesting** it was, and how well it was presented.

*Thank you for a great afternoon Terry!*
