

Hengist Field Care Home nearly new sale and coffee morning

We hosted two fundraising events at Hengist Field Care Home last week – a nearly new sale and coffee morning – to raise money for our residents fund and Macmillan Cancer Support.

Our Nearly New Sale was a great success. We had donations of clothes, books and bric-a-brac and managed to raise **£85 for our Residents' Fund**, through the purchases of family and friends.

Alongside the sale, we hosted a Macmillan Coffee Morning (with a delicious spread of cakes) which raised **£39.90 for the charity**.

Thank you to everyone who came to browse or enjoy a cuppa and cake!
