

Hengist Field Care Home receives beautiful handmade blankets

Another huge 'thank you' to our wonderful supporters, Jackie and Kevin, for their donation of colourful handmade lap blankets for our residents at Hengist Field Care Home. They came in together to deliver them on Monday 4 September, much to our delight!

They have been **crocheted/knitted by Jackie herself** who does such a wonderful job at creating such beautiful pieces. They are so pretty and our residents love them for their laps or to have on their beds.

Thank you for coming in to see us with such thoughtful gifts again Jackie and Kevin - they will be put to very good use in our Home.
