

## Hengist Field Care Home receives generous donation of handmade blankets

**A huge thank you to Jackie and Kevin for thinking of us, here at Hengist Field Care Home, when they visited us on Monday 30 January to donate a selection of beautiful handmade blankets.**

Jackie said she likes to make different patterns, with **gorgeous bright colours**, which are appealing to the eye – and they most certainly are!

Our residents always **put them to good use** and think they are so **beautifully made** and cosy.

*Thank you again Jackie and Kevin for coming in to see us, with such beautiful gifts.*
