

Hengist Field Care Home residents celebrate St Patrick's Day in style

What a fantastic day we had here at Hengist Field Care Home last week, celebrating St Patrick's Day!

We had great fun decorating our **Home** with **themed decorations** including a **beautiful shamrock tree** and **themed St Patrick's Day goodies and drinks trolley** offering Baileys Irish Cream, Guinness, mint choc chip smoothies and lime cordial mocktails.

Whilst taking our trolley around to some of our rooms, a few of our visitors enjoyed a drink with their loved ones...we checked that everyone was over 18! Ha!

We played **Irish music** in our lounge so there was plenty of foot tapping, while everyone had a good giggle putting on Irish hats or holding our Irish props.

Everyone loved their **St Patrick's Day lunch**, which was a choice of Irish lamb stew or Colcannon broth, followed by chocolate pots de creme or Baileys French toast. *Yum!*

We hope everyone enjoyed St Patrick's Day as much as we did!
