

## Hengist Field Care Home residents celebrate VE Day with a singalong

**Our residents had a lot of fun on Saturday 8 May when we celebrated VE Day at Hengist Field Care Home.**

Unfortunately our singer Joy Day had to cancel, due to bad weather, but we didn't let that stop the celebrations – we played lots of **wartime songs** and had a **good old singalong** with our residents instead!

Our staff really looked the part in their **wartime and services uniforms** and our residents enjoyed posing for **VE Day photographs**.

We served tea, coffee and cakes as part of the celebrations. *Perfect!*
