

Hengist Field Care Home residents enjoy a delicious picnic spread

As it has proved so popular in the past, our residents at Hengist Field Care Home once again requested an afternoon picnic treat, so of course we obliged!

We bought lovely fresh **warm crusty bread** and a selection of toppings and nibbles including **Ardennes and Brussels pate**, **cheeses, olives, small pickled onions** and **piccalilli**.

It went down a storm and most of our residents had seconds and thirds!

Tasty, tasty, very very tasty!!

A very popular picnic!
