

## Hengist Field Care Home residents enjoy a morning trip to Oad Street

**Last week, a group of our Hengist Field Care Home residents spent a lovely morning at Oad Street Craft Centre.**

Everyone had a choice of drinks from the menu and something to eat – mainly cake, as we all like their **fantastic cake menu!** Banoffee and peanut cake, toasted teacakes, bonfire cake, caramel blondies, carrot cake, rocky road and many more, *yum, yum!*

Everybody had fun with **group conversation, banter and so much laughter**, agreeing that they'd all had a really lovely time and would like to go again soon. *Definitely – for more cake!*
