

## Hengist Field Care Home residents enjoy a pub lunch outing

On Wednesday 10 April we took a lovely trip out for lunch to The Sun at Bredgar with a group of our Hengist Field Care Home residents, as requested by them.

At the pub we all chose a drink, and then picked what we wished to eat from the **varied menu**. Around the table there was plenty of **group conversation and laughter**.

After our mains, most of us felt too full to have a dessert, but there were a couple who shared a delicious berry waffle with ice-cream and a Banoffee waffle with ice-cream – *and why not!*

We thoroughly enjoyed the trip out through the **countryside**. Everyone said they were full to the brim and had a great time together.
