

## Hengist Field Care Home residents enjoy hot cross bun tasting

**On Good Friday here at Hengist Field Care Home we enjoyed smelling and tasting different flavoured hot cross buns.**

**Apple and cinnamon, cheese and black pepper, lemon and white chocolate, extra fruity and blueberry.**

**Food tasting** always goes down well here at **Hengist Field** and the hot cross buns were certainly a big hit!

There wasn't a winning bun, as everyone said they were all really lovely, especially with a nice spread of butter on them. *Very tasty!*

*Happy Easter everyone!*
