

Hengist Field Care Home residents enjoy some Country and Western fun

Our residents at Hengist Field Care Home had a fantastic afternoon on Thursday 12 October when the wonderful Jasmine and Doug came in to perform their Country and Western Show for us.

Jasmine sang a great selection of songs, which got everyone **singing along**, **clapping**, and just having an absolutely brilliant time.

We also had **two stray horses trotting around the building** which was great fun and **made everyone laugh** – *one of our ladies was crying with laughter, it was hilarious!*

An awesome afternoon!
