

Hengist Field Care Home residents enjoy tea and cake outing

Last week a group of our residents at Hengist Field Care Home spent a lovely morning at Mrs Merton's Tea Room.

On the way we had **music playing** to sing along to in our mini bus. Once we arrived after the short drive, we all made ourselves comfortable and enjoyed some **lovely group conversations**.

We all chose our drinks (*which arrived in very large cups, nearly as big as some of our residents!*) and a lovely cuppa was poured. We then had a choice of **homemade cakes and savouries**, including:

- Sausage rolls
- Cheese scones
- Fruit scones with clotted cream and homemade jam
- Lemon drizzle cake
- Carrot cake
- Coffee and walnut cake
- Black forest cake

.... what an amazing selection and all looking so delicious!

When they arrived at our the table, the cakes once again were nearly as big as us! Absolutely gorgeous as usual.

We will be back – we do love cake!!
