

Hengist Field Care Home residents in biscuit tasting heaven

We had a very enjoyable afternoon on Saturday 16 January, tasting limited edition McVitie's chocolate biscuits here at Hengist Field Care Home!

Our residents joined in smelling, tasting, discussing and guessing the different biscuits – *a tough job but we managed it!!*

We tested **Lemon Drizzle**, **Chocolate Brownie**, **Strawberry Cheesecake** and **Sticky Toffee Pudding** - all new delicious recipes from McVitie's.

The votes were in, counted and verified....and the winner was...**Lemon Drizzle!** *Yummy!*

We had fun sampling the four flavours!
