

Hengist Field Care Home residents paint perfect pumpkins

Our residents at Hengist Field Care Home thoroughly enjoyed designing and painting pumpkins for Halloween last week.

Everyone chose their **colours, glitter, diamantes** and **paint** and went '*all out*' with their creativity!

With old time songs in the background and **singalongs**, it was a great activity, with plenty of group conversation, fun and laughter. A lovely way to spend time together.

It was brilliant to get our **Home** decorated and ready for **Halloween**, with **skeletons, spiders, ghosts, bats, cobwebs** and more!

All our lovely painted pumpkins were on show for everyone to admire – *we hope you all had a happy Halloween!*
