

Hengist Field Care Home residents ready themselves for Spain

Last week we had a fun afternoon with our residents at Hengist Field Care Home making fans and bunting for our upcoming Cruise stop in Spain!

We had a great time wearing **sombreros** and enjoying lively **Flamenco music and dancing**.

There was lots of **laughter and smiles**, as we showed off our sombreros and waved our fans.

With passports at the ready, we're definitely in the spirit for our arrival in Spain!
