

## Hengist Field Care Home residents receive beautiful handmade lap blankets

**A huge thank you to Jackie and Kev Jones who visited us at Hengist Field Care Home today to make a very thoughtful donation.**

**Jackie has crocheted all of these beautiful lap blankets herself** and donated them to our residents.

*What a talent Jackie has!* The blankets are so pretty and **full of bright colours** – they certainly brought plenty of smiles.

Such a lovely thing to do and our residents absolutely love them.

*Thank you again Jackie and Kev for bringing in such lovely gifts to our Home.*

We are so in awe of Jackie's talent! This blanket is named 'The Circle of Hope'.
