

Hengist Field Care Home residents set sail to India on their Nellsar Cruise

Our Hengist Field Care Home residents and staff have now set sail on the next leg of their Nellsar Cruise.

We're looking forward to our next stop – *India!*

Everyone had their **Boarding Passes** at the ready, and we've enjoyed making colourful **paper garlands** and **flags** to celebrate our next destination.

We've also spent time talking about **famous land marks** and **interesting facts** about India.

Bring on docking day!

We're looking forward to visiting India
