

Hengist Field Care Home staff spread cheer with their Christmas outfits

Last week we had a brilliant day here at Hengist Field Care Home when our staff all wore their Christmas tops.

They look so festive in their jumpers and t-shirts, featuring **snowflakes**, **penguins**, **Christmas puddings**, **jingle bells**, **bottles of beer** and **puppies**!

Two of our staff members even had a flashing festive jumpers! *Amazing!*

Our residents thought it was great fun – a day with plenty of laughs all around.
