### Happy Care Package

"A huge great 'thank you' to Borden Primary School for thinking of our residents and sending this 'Happy Care Package' with hand made 'happy cards' and an assortment of wonderful gifts; chocolate, biscuits, different flavour teas, cakes, crisps, toiletries to name but a few. It certainly made our lovely residents smile, and happy, especially reading the messages in the cards. Thank you again!"

Our residents are so grateful for the cards and goodies!
