

## Hengist Field Care Home thank Jackie and Kevin for their kind donation

### Handmade Crochet Knee Blankets

The lovely Jackie and Kevin recently returned to Hengist Field Care Home to donate some more gorgeous hand crochet knee blankets.

Thank you so much – we really appreciate your kind and creative donation. Our residents love these and think they are so bright and cheery.

As a token of our appreciation we presented Jackie and Kevin with a box of chocolates and a thank you card from everyone at Hengist Field.

What a really generous act of kindness. Thank you again, and it was lovely to see you both!

Thank you Kevin and Jackie!
