

Hengist Field Care Home turns pink for Breast Cancer Awareness

Fun was had by all at Hengist Field Care Home on Friday 23 October, as we celebrated Breast Cancer Awareness Day.

Our staff and residents took part in the special day by **dressing up in pink** 'to make the boys wink'!

Our Kitchen staff made some wonderful **themed cakes**, which everyone really enjoyed.

We had a good old **sing-along**, which created a great party atmosphere.

A fantastic day to raise awareness.
