

## Hengist Field Care Home welcomes friend and volunteer George

**Here at Hengist Field Care Home, all of our management, staff and residents would like to welcome George as our new volunteer.**

George is no stranger to **Hengist Field**, as **George's beautiful wife Pat was a loved member of our Home family** and was with us for ten years.

As you can see by the picture, George fits in so well and is such a good sport with joining in. He's so great with all of our fabulous residents.

***Welcome George! It's great to have you working alongside us.***
