

Let It Snow pantomime at Hengist Field Care Home

Yay! It was Christmas pantomime time at Hengist Field Care Home last week!

Everyone thoroughly enjoyed the pantomime 'Let It Snow'. Our ladies and gents loved **singing along** and **tapping their feet**. And there was plenty of "Oh no they didn't! Oh yes they did!" to enjoy!

The actors were fantastic and had beautiful voices. Our residents were full of compliments about the whole show.

It was a brilliant fun-filled afternoon, with so many smiles!
