

Liam Joseph sings at Hengist Field Care Home

Staff and residents at Hengist Field Care Home enjoyed another fantastic afternoon on Thursday 22 December when Liam Joseph came to sing for us.

Liam sang some great songs and Christmas Carols, putting his own twist on some of them. Our residents had a brilliant time, holding each others hands, singing along, waving their arms, clapping and tapping their feet.

Liam is very interactive with everyone and remembers residents names, which they love; he always sings a song to a resident with their name in it, which makes them feel extra special.

Thank you Liam and Merry Christmas. See you next year!
