

Making Christmas decorations at Hengist Field Care Home

On Monday afternoon, in our Christmas arts and crafts group, we started to make our Christmas table decorations here at Hengist Field Care Home.

Using pieces of **sliced cherry tree wood**, our residents chose from a selection of Christmas decorations, holly, artificial snow, miniature figures and more – *and what a fabulous job they have done!*

We also we made some very pretty **Christmas crackers**.

A fun festive afternoon with some beautiful creations, as always. *We can't wait for Christmas!*
