

Making Easter nests at Hengist Field Care Home

On Tuesday 19 April here at Hengist Field Care Home, we were still in the Easter spirit, so we made Easter nests using crushed Shredded Wheat, melted chocolate and chocolate mini eggs, Galaxy enchanted eggs, Milka eggs and candy-coated eggs for decoration.

We had 60s and 70s music playing in the background, whilst chatting, reminiscing and laughing. Everyone enjoyed the conversations, banter and making their yummy nests.

What a lovely afternoon!
