

Hengist Field Care Home welcomes Miss Holiday Swing

On Friday 21 February we were delighted to welcome a lovely singer to Hengist Field Care Home called Holly - 'Miss Holiday Swing'.

She entertained our residents with an assortment of songs across the decades from the 40s, 50s and 60s which created a real buzz! Our residents really enjoyed Holly's voice and loved singing along; some were even encouraged to get up and have a dance, which was great fun.

Thanks for a wonderful time Holly!
