

Miss Holiday Swing entertains Hengist Field Care Home residents

We had a fantastic afternoon here at Hengist Field Care Home, when Holly (Miss Holiday Swing) came to sing and entertain us all.

Holly has such a **beautiful voice** and always sings a selection of wonderful old time songs, including tunes from '*through the decades*', The Andrew Sisters, Vera Lynn and many more.

As always, our lovely residents thoroughly enjoyed themselves.

Holly also sings at a lot of Vintage events and appears in Vintage magazines.

Thank you Holly – see you soon!
