

## Mixed arts and crafts at Hengist Field Care Home

**Our ladies and gentlemen here at Hengist Field Care Home enjoyed an afternoon of mixed arts and crafts recently, in the lead up to St David's Day.**

Our skilled residents created a selection of colourful crafts including daffodil wreaths, coloured or painted pictures of the Welsh flag, painted pebbles, feather wreaths and more!

Our arts and crafts session are always fun, with plenty of conversation and smiles. Our residents enjoy choosing and selecting the crafts they wish to do, and how or what they are going to use, and selecting their fabulous colours!
