

## Mothers Day afternoon tea at Hengist Field Care Home

### We enjoyed a super Mother's Day weekend at Hengist Field Care Home.

We took special deliveries of **cards and bouquets** across the Saturday and Sunday, as our relatives posted in and left gifts for their loved ones; our Recreation and Well-Being Team played 'postmen' and 'delivery maids' to see that they all arrived on time and with a smile! Our ladies were so delighted with their Mother's Day treats.

Later in the day we served a **special afternoon tea** to our residents on each floor, with finger sandwiches and beautifully decorated cupcakes, to ensure the day was extra special.

We also **connected families with their mums** through Skype and phone calls, and emailed lots of lovely photographs to relatives – with the help of our reception staff – as a keepsake of what proved to be a special sunny day, even though families were unable to meet up.
