

Mothers Day music with Peter Kneebone at Hengist Field Care Home

We had a very happy Mother's Day with all our wonderful Hengist Field Care Home mums and ladies on Sunday 10 March.

We gave **fresh daffodils** to all our lovely ladies to have in their rooms. We also held a **flower arranging session in the morning**, to make sure we had some bright, scented daffodil arrangements around our Home – a little dash of spring colour from outside brought inside.

During the afternoon we invited **Peter Kneebone** in to sing for our residents. As always, Peter looked very smart in his suit and performed a great selection of songs that everyone thoroughly enjoyed while they tucked into a **delicious afternoon tea**, with scones filled with jam and cream.

What a lovely Mother's Day!
