

## Pet Therapy Day at Hengist Field Care Home

**On Wednesday 28 August we had a special Pet Therapy Day here at Hengist Field Care Home.**

Our Recreation and Well-Being Champion Jacqui brought along her wonderfully fluffy and friendly Rabbit '**Elvis**' and our residents were thrilled to have him as part of the **Hengist** family for the day!

There were plenty of cuddles and Elvis was so well behaved as he spent time visiting our ladies and gents, either in the lounge or in their own rooms.

*Thank you Jacqui for bringing Elvis in and thank you Elvis for entertaining our residents so beautifully.*
