

Planters and salt dough crafts at Hengist Field Care Home

On Friday afternoon we held an arts and crafts session here at Hengist Field Care Home.

We made **hanging planters out of plastic bottles and large food tins**, painting and decorating them with bright colours, ready to be filled with soil and planted for spring.

Some of our residents also **finished painting the salt dough elephants** they had made previously.

As always, there was plenty of **laughter and banter**. *Some super works of art and a lovely afternoon socialising.*
