

Rainbow vibes come to Hengist Field Care Home

Rainbows have been popping up all around our Home over the weekend, to say thank you to all our staff at Hengist Field Care Home.

They included this wonderfully eye-catching '**stay safe**' rainbow banner – which was suggested by our Head Chef Kay and beautifully made by her together with Jacqui and Sue from our Recreation and Well-Being Team.

Jacqui, Sue, Kay and Kitchen Assistant Miguel proudly fixed the rainbow at the top of our driveway.

We hope it brings a smile to those who see it.
